info@crossroads-music.com

Owners: Dan & Sara

Centrum is pleased to announce that Port Townsend's independent music store, Crossroads Music, is providing rental instruments for use at the selected Centrum music workshops. Rentals are perfect for those who are traveling by plane and don't wish to risk damaging their own instruments, or for those who just want to try something new.

Rentals are handled entirely through Crossroads Music. Contact them for complete information. In order to guarantee an instrument, reservations must be made at least 3 weeks in advance of your workshop.
